

EUROPEAN SOCIETY OF THORACIC SURGEONS
ESTS

ESTS SCHOOL OF THORACIC SURGERY

17-21 March 2010

Titanic Hotel, Antalya, Turkey

17 March 2010, Wednesday

Hour	Subjects
MORNING	Basic Science, Congenital Diseases, Theoretical/Technical
07:45-09:15	<ul style="list-style-type: none"> Opening remarks – <i>Halezeroglu, Venuta, Mueller</i> Pulmonary anatomy, embryology, congenital diseases – <i>A. Toker</i> Operative options for chest wall deformity.- <i>F. Venuta</i>
09:15-09:30	break
09:30-11:00	<ul style="list-style-type: none"> Interpreting papers: from univariate to multivariate analysis and beyond Statistics – <i>A. Brunelli</i> Certainty Theory – <i>A. Brunelli</i> Scientific study preparation – <i>M. Mueller</i>
11:00-11:15	break
11:15-12:30	<ul style="list-style-type: none"> Fitness for resection and risk stratification for lung resection – <i>A. Brunelli</i> Patient safety in surgical practice – <i>S. Cassivi</i> How to do cases – <i>Halezeroglu & Mueller</i>
12:30-13:30	lunch
AFTERNOON	Mediastinum, Pleura & Diaphragm
13:30-14:45	<ul style="list-style-type: none"> Mediastinal tumours, cysts and mediastinal goitre – <i>F. Venuta</i> Myaesthesia gravis & Thymectomy - indications, techniques and outcomes – <i>A. Toker</i> Practical management of mediastinal tumours and cysts – <i>F. Venuta</i>
14:45-15:00	break
15:00-16:30	<ul style="list-style-type: none"> Pneumothorax surgery – <i>S. Halezeroglu</i> Parapneumonic and Postoperative Empyema – <i>S. Halezeroglu</i> Diaphragm surgery – <i>I. Bellenis</i>
16:30-16:45	break
16:45-18:00	<ul style="list-style-type: none"> Malignant mesothelioma: Staging and Radical Surgery – <i>S. Halezeroglu</i> Management of malignant pleural effusion - <i>A. Toker</i> How to do cases – <i>Bellenis & Cassivi</i>
19:30-22:00	Welcome Dinner

18 March 2010, Thursday

Hour	Subjects
MORNING	Pulmonary Neoplastic –Part I
07:45-09:15	<ul style="list-style-type: none"> • Staging algorithm and restaging lung cancer after induction treatment for NSCLC – <i>R.R. Porta</i> • Screening for lung cancer - where are we at? <i>M.Mueller</i> • PET scanning in lung cancer – <i>S. Halezeroglu</i>
09:15-09:30	break
09:30-11:00	<ul style="list-style-type: none"> • Invasive staging for lung cancer – <i>R.R.Porta</i> • Neuroendocrine lung tumours – <i>M. Mueller</i> • Advances in parenchyma preserving treatments for lung cancer & sleeve resection – <i>M. Mueller</i>
11:00-11:15	break
11:15-12:30	<ul style="list-style-type: none"> • Segmentectomy - indications, techniques – <i>R.R.Porta</i> • Multimodality treatment of Pancoast Tumours – <i>F. Venuta</i> • Extended resection for lung cancer – <i>F. Venuta</i>
12:30-13:30	lunch
AFTERNOON	Pulmonary Neoplastic – Part II
13:30-14:45	<ul style="list-style-type: none"> • Adjuvant & Neoadjuvant chemotherapy – Fundamentals – <i>A. Brunelli</i> • Radiotherapy as multimodality treatment – <i>M.Mueller</i>
14:45-15:00	break
15:00-16:30	<ul style="list-style-type: none"> • Followup of lung cancer patients – <i>R.R.Porta</i> • Management of solitary extrapulmonary metastases – <i>I.Bellenis</i> • Management of pulmonary metastases- <i>M.Mueller</i>
16:30-16:45	break
16:45-18:00	<ul style="list-style-type: none"> • Guidelines Review – <i>M.Mueller</i> • How to do cases – <i>S.Halezeroglu, A. Brunelli</i>

19 March 2010, Friday

Hour	Subjects
MORNING 07:45-09:15	Oesophageal <ul style="list-style-type: none">• Principles and investigation of GERD -S.Cassivi• Antireflux surgery – S.Cassivi• Giant Hiatal hernia – S.Cassivi
09:15-09:30	break
09:30-11:00	<ul style="list-style-type: none">• Staging of oesophageal cancer – S. Cassivi• Open oesophagectomy – S. Cassivi• Minimally invasive oesophagectomy – S. Cassivi
11:00-11:15	break
11:15-12:30	<ul style="list-style-type: none">• Oesophageal injury/rupture – S. Cassivi
12:30-13:30	lunch
AFTERNOON	Guided Tour of Antalya (optional)

201 March 2010, Saturday

Hour	Subjects
MORNING	Pulmonary Non-neoplastic
07:45-09:15	<ul style="list-style-type: none"> Investigation and management of the SPN – <i>R.R.Porta</i> Bronchiectasis and destroyed lung- <i>S.Halezeroglu</i> Management of postoperative pain – <i>A. Brunelli</i>
09:15-09:30	break
09:30-11:00	<ul style="list-style-type: none"> Lung transplantation: state of the art – <i>S. Cassivi</i> Bronchopleural fistula: occurrence and management – <i>A. Toker</i>
11:00-11:15	break
11:15-12:30	<ul style="list-style-type: none"> Use of tissue sealants in lung surgery – <i>R.R.Porta</i> Emphysema – LVRS – <i>S.Cassivi</i> Emphysema – Intercavitary drainage & Endoscopic treatment – <i>F.Venuta</i>
12:30-13:30	lunch
AFTERNOON	Trachea & Chest Wall
13:30-14:45	<ul style="list-style-type: none"> Chest wall tumours – <i>I.Bellenis</i> Operative - principles of chest wall resection and reconstruction – <i>I.Bellenis</i> How to do cases – <i>F. Venuta, A.Toker</i>
14:45-15:00	break
15:00-16:30	<ul style="list-style-type: none"> Tracheal tumours and principals of surgery – <i>I.Bellenis</i> Palliation of airway diseases – tracheobronchial stenting- <i>A. Toker</i>
16:30-16:45	Break
16:45-18:00	<ul style="list-style-type: none"> Management of hemoptysis – <i>A.Toker</i> How to do cases – <i>I.Bellenis, S. Cassivi</i>
EVENING	Farewell Dinner
19:30 – 22:00	

21 march 2010, Sunday

Hour	Subjects
MORNING	Trauma & Infections
07:45-09:15	<ul style="list-style-type: none">• Blunt and penetrating chest trauma – <i>I.Bellenis</i>• Chest wall and airway trauma- <i>I.Bellenis</i>• Management of oesophageal and diaphragmatic traumas - <i>A.Brunelli</i>
09:15-09:30	Break
09:30-11:00	<ul style="list-style-type: none">• Surgery for fungal and mycobacterial lung diseases – <i>A. Brunelli</i>• Hydatid lung disease – <i>S.Halezeroglu</i>• How to do cases – <i>I.Bellensi, A.Brunelli</i>
11:00-11:15	Break
11:15-12:30	<ul style="list-style-type: none">• Examination• Evaluation of exam questions and answers• Closing remarks – <i>F:Venuta, S. Halezeroglu</i>
12:30-13:30	lunch
Until 14:00	Check out from the Hotel
