

32nd ESTS MEETING

26 - 28 MAY 2024 • BARCELONA, SPAIN

“Barcelona 2024 - ESTS, more than a Society!”

Breaking Clinical Trial Abstract Submission Guidelines

Abstract Submission: Friday 1 March - Sunday 24 March 2024, 23:59 hours CET

SUBMISSION OF ABSTRACTS

- Breaking Clinical Trial abstracts are targeted towards randomized clinical trial data, large population-based trial evidence, or novel translational evidence that is likely to be highly cited and impactful in clinical practice.
- Retrospective investigations or meta-analyses will not be considered. Similarly, ad interim results of ongoing randomised trials will not be selected.
- Exempt from publication in EJCTS
- Previously presented data can be submitted for consideration but this will be reviewed by the Program Committee and assessed for suitability to present.
- **Authors must only submit to the following email address by sending a word/pdf document:**
